Art Unit: 1616

Election/Restriction

- 1. Restriction to one of the following inventions is required under 35 U.S.C. 121:
- I. Claims 1, 3, 4, 12 and 13 drawn to nutritional supplement, comprising sterol and an omega-3 fatty acid, classified in class 514, subclass 169+.
- II. Claims 1, 2, 5-11, drawn to nutrition supplement when sterol and fatty acid form an ester, classified in class 514, subclass 169+.
- III. Claims 15-26 drawn to methods of lowering cholesterol and triglyceride level by nutritional supplement comprising sterol and an omega-3 fatty acid, classified in class 514, subclass 169+; class 552, subclass 540+.
- IV. Claims 15-26 drawn to methods of lowering cholesterol and triglyceride level by nutritional supplement comprising when sterol and fatty acid form an ester, classified in class 514, subclass 169+.
- V. Claim 27 drawn to the use of nutritional supplement comprising when sterol and fatty acid form an ester for lowering the cholesterol level, classified in class 514, subclass 169+.

Art Unit: 1616

VI. Claim 27 drawn to the use of nutritional supplement comprising when sterol and fatty acid for lowering the cholesterol level, classified in class 514, subclass 169+.

VII. Claim 28 drawn to a foodstuff having nutritional supplement comprising when sterol and fatty acid form an ester, classified in class 514, subclass 169+.

VIII. Claim 29 drawn to use of the nutritional supplement in the manufacture of a foodstuff (claim 2), classified in class 514, subclass 169+.

- 1. The inventions are distinct, each from the other because of the following reasons:
- 2. Inventions of group I-VIII require separate searches. The search required for Group I is not required for Group II. A reference used to reject one group would not be used to reject the invention of another group. They are patentably distinct.
- 3. Because these inventions are distinct for the reasons given above and have acquired a separate status in the art as shown by their different classification, the database and other searches

Art Unit: 1616

for the entire genus would represent excessive burden on the Examiner. The restriction for examination purposes as indicated is proper.

- 4. Applicant is required under 35 U.S.C. 121 to elect a single disclosed species, even though this requirement is traversed.
- 5. A telephone call was made to Attorney Gerald T. Shekleton on 6/1/00 to request an oral election to the above restriction requirement, but did not result in an election being made.

Applicant is advised that the reply to this requirement to be complete must include an election of the invention to be examined even though the requirement be traversed (37 CFR 1.143).

6. Applicant is reminded that upon the cancellation of claims to a non-elected invention, the inventor ship must be amended in compliance with 37 CFR 1.48(b) if one or more of the currently named inventors is no longer an inventor of at least one claim remaining in the application. Any amendment of inventor ship must be accompanied by a petition under 37 CFR 1.48(b) and by the fee required under 37 CFR 1.17(I).

Art Unit: 1616

- 7. Applicant is advised that the reply to this requirement to be complete must include an election of the invention to be examined even though the requirement be traversed (37 CFR 1.143).
- 8. Applicant is reminded that upon the cancellation of claims to a non-elected invention, the inventor ship must be amended in compliance with 37 CFR 1.48(b) if one or more of the currently named inventors is no longer an inventor of at least one claim remaining in the application. Any amendment of inventor ship must be accompanied by a petition under 37 CFR 1.48(b) and by the fee required under 37 CFR 1.17(I).
- 9. It is suggested that in order to advance prosecution, the non elected subject matter be canceled when responding to this office action.

Telephone Inquiry Contacts

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Sabiha N. Qazi, whose telephone number is (703) 305-3910. The examiner can normally be reached on Monday through Friday from 8 a.m. to 6 p.m. The fax phone number for this Group is (703) 308-4556.

Art Unit: 1616
